

BUSINESS AND NONINSTRUCTIONAL OPERATIONS**Inventories**

In order to account for all school property and its current location, an inventory system shall be developed by the superintendent.

Such inventory shall include, but not be limited to, such items as buildings, movable equipment, vehicles and other items that may be covered by insurance.

Editor's Note

*For procedures and property classification
See division regulation #R 4-41.*

Adopted by School Board: March 24, 1987
